3rd Annual Cultural Gala

OUR WHY

In some parts of Ghana, students face significant challenges accessing education—from long walks to school and limited supplies to a lack of basic infrastructure. But thanks to the dedication of our community and partners, we're proud to announce that the 2-story Junior High School (middle school) in Akyeremade—just outside of Kumasi (Charlotte's Sister City)—is now complete!

This year, we celebrate this incredible milestone and invite you to join us in taking the next step: building a fully furnished technology lab to empower students with the tools they need to thrive in today's digital world.

Our goal is to raise \$30,000 to make this vision a reality. Your support can open doors of opportunity and continue a story of hope, resilience, and meaningful impact. Sponsor this powerful event and help us shape a brighter future—together.

ABOUT THE EVENT

The AfroCareCLT Cultural Gala is a signature event in Charlotte, bringing together changemakers, entrepreneurs, and community members to celebrate West-African heritage, fashion, and education. Guests will enjoy a dynamic evening of fine dining, dancing, and stories of impact from Ghana and Charlotte.

The AfroCareCLT Collective

The AfroCareCLT Collective is a dynamic network of Charlotte-based organizations, leaders, and changemakers united by a shared purpose: to strengthen education in Charlotte's Sister City of Kumasi, Ghana and its surrounding areas.

This collective is the driving force behind two annual events—the AfroCareCLT Cultural Gala and Wine & Wonder—which raise critical funds to build and support schools, provide educational resources, and create sustainable change for students in under-resourced communities.

Together, we celebrate culture, bridge continents, and build brighter futures through the power of collective care.
